**“My goal is to help patients avoid new or worsening problems so these vital body structures can continue to carry them through a fulfilling life.”**

### About Phu Vo, DPM

Dr. Phu Vo is a foot and ankle specialist who exhibits the three C's of quality patient care - concern, compassion and congeniality. And with his expertise, he knows just how to help keep his patients moving and living as independently as possible.

“Certain health conditions can affect the feeling and functionality in the ankles and feet,” says Dr. Vo. “My goal is to help patients avoid new or worsening problems so these vital body structures can continue to carry them through a fulfilling life.”
