quality of life of people most at-  
risk for health challenges.”**

### About Bradley Backoff, DPM

At a young age, Dr. Bradley Backoff knew he wanted to be a doctor. “I chose podiatry because I wanted to combine medical and surgical skills to better care for my patients,” he says. Dr. Backoff actively listens to his patients and enjoys getting to know them. “I like to make the exam-room environment fun,” he says. Dr. Backoff loves working with the senior population. “I want to help increase the quality of life of people most at-risk for health challenges,” he says. He often attends conferences and lectures to keep up with medical advancements.

In his free time, Dr. Backoff enjoys traveling and spending time with his Welsh corgi. An interesting fact about Dr. Backoff is that he used to serve as a high school ice hockey official.
