“I realize the importance of incorporating culture-specific attitudes and providing patients with non-judgmental and compassionate care.”

About Saied Alsabagh, MD

Dr. Saied Alsabagh was inspired to pursue medicine by the doctors who cared for his grandfather. “The medical team not only provided exceptional medical care but their compassion and devotion to my grandfather’s case made me realize what I wanted to do for the rest of my life,” he says. Dr. Alsabagh values holistic and preventative care. Dr. Alsabagh loves connecting with patients. “I realized the importance of incorporating culture-specific attitudes and providing patients with nonjudgmental and compassionate care,” he says.

In his spare time, Dr. Alsabagh loves spending time with his family and trying new food. Although he has spent much of his life in South Florida, Dr. Alsabagh was born in the Middle East and grew up in Canada.
