“Patients are not a passenger in their healthcare journey, they are the captain of the ship, and it is my role to help equip them with the best tools for success.”

About Allison Reinarz, DO

Dr. Allison Reinarz finds it very fulfilling to work in healthcare. Her favorite part of her profession is the collaboration. She explains, “It is a privilege to gain trust where patients are willing to share personal matters and work together towards a common goal.” She likes getting to know her patients beyond their health concerns and especially enjoys listening to her senior patients. She strives to empower them, explaining, “Patients are not a passenger in their healthcare journey, they are the captain of the ship, and it is my role to help equip them with the best tools for success.”

In her free time, Dr. Reinarz can be found spending time with her husband and children. She also enjoys gardening, hiking, and trying new foods.
